eEURO INCLUSION

DURATION	December 2003 – December 2005
PROJECT OBJECTIVES	The objective of the project is to provide information on language learning resources.
BENEFICIARIES	Language learners; language course providers
PROJECT LANGUAGE	English

PROJECT ACTIVITIES

CREATION OF A PORTAL	The eEuroInclusion portal contains information on language learning resources and numerous links to various sites of interest concerning the learning of lesser widely used languages
CREATION OF A DATABASE	The database contains data on the European language centres which offer services for learning lesser widely used languages so that users can select language courses from centres all over Europe
CREATION OF A FORUM	The forum is open to language centres which offer services for language learning in Europe.
FINAL CONFERENCE	During the final conference the project results will be presented.
