QUALITY CRITERIA FOR THE CREATION AND MANAGEMENT OF CENTRES FOR THE ELDERLY

DURATION	2005 – 2007
PROJECT OBJECTIVES	Provide Social Services with more specific qualifications to enable them to respond to the changing market within which they operate
BENEFICIARIES	Bodies operating with the elderly disabled
PROJECT LANGUAGE	English

PROJECT ACTIVITIES	
DEVELOPMENT OF A TRAINING COURSE	Each project partner will develop a training course and relative materials to allow for potential trainers to run a training course on the theme of the creation of centres for the elderly. Each training package will be developed in the national language of the partner.
DEVELOPMENT OF TRAINING COURSES FOR THE STAFF OF CENTRES FOR THE ELDERLY	Each partner will develop a training course aimed at the personnel who work directly with the elderly with disabilities.
SAQ TEST	Each partner will organise three meetings in order to identify the skills necessary for the staff who work with elderly individuals with disabilities. In order to carry out these activities, a SAQ - Self Assessment Questionnaire will be used – a tool which has been created in the framework of a previous European project funded by the Leonardo da Vinci programme.
