MDM MANKIND MEMORIAL

DURATION	October 2001 – October 2003
PROJECT OBJECTIVES	The MDM project aims to: <ul style="list-style-type: none"> ➤ Promote cooperation among European schools ➤ Promote an intercultural approach between schools in 8 European countries ➤ Develop a European dimension to contemporary history ➤ Analyse local history from a European perspective
BENEFICIARIES	Teachers / students of secondary schools in Europe
PROJECT LANGUAGE	English

PROJECT ACTIVITIES	
RESEARCH ACTIVITIES	During the first year research will be carried out, aimed at developing a “topography of memorial monuments” on the whole territory covered by the partnership
ANALYSIS OF ACTIVITIES	During the second year, the results of the research activities carried out at national level will be analysed at transnational level. The students will concentrate their analysis on monument presented by their “colleagues” from the other partner countries and will contribute to the creation of a Manual of memorial monuments.
PRODUCTION ACTIVITIES	During the final year of the project the teachers and students involved in the project will work together on a common idea of “Memory” which will lead to the construction of a “Mausoleum”.
